JOHN WHEELER FOR STATE HOUSE (KS)

Bob Lewis: Funded from Afar (2022)

WHERE IS BOB'S MONEY COMING FROM?

Slick New York lawyer Bob Lewis can't find much support here in Kansas.

In fact, **76% of his campaign donations are from out of state!**... places like California, New York, and Illinois. These are places that elect radical liberals like AOC, Nancy Pelosi, and Dick Durbin.

Donors from other states don't know what's best for Kansans, because they don't live, work, or raise their families here.

**WE KNOW BETTER THAN BIG CITY LIBERALS:

TERESA BARTON SILENCED SEXUAL ASSAULT VICTIMS

"Joined by members of Kentucky Women United, an advocacy group that supports victims of violence and sexual abuse, they tried unsuccessfully to address the fiscal court at an April meeting. But Franklin Judge-Executive Teresa Barton would not allow the women to speak..."

Barton: All sides accuse

"The women want to use that money to relocate, but the county has tied up the judgment in appeals court, arguing that it is protected from liability by state law. In April, various women's groups from Louisville and Lexington called on the current Franklin County judge executive, Teresa Barton... to honor her campaign pledge to work for a settlement, but they reported no success. Barton declined to comment on the case. The women consider Barton's failure to live up to campaign promises just one more slap in the face throughout this ordeal!"
